BUGATTI ❖ 100

7th June to 14th July 2016

This exhibition marks the centenary of Bugatti's death and will include a select group of rare sculptures, drawings and related memorabilia, some of which are being exhibited in the UK for the first time.

In addition, an updated version of Edward Horswell's monograph on the artist *Life in Sculpture* – first published in 2004 – is now in its fifth reprint and will be available in the gallery.
